

Measures based on COVID-19

Dear visitors,

in your own interest, in the interest of other visitors and in the interest of our employees, please pay attention to the compliance of the following rules of hygiene.

- Covering for mouth and nose must be worn (please bring your own)
- Minimum distance of 1.5 metres between each person
- Cough or sneeze only into your elbow or a disposable paper tissue
- Regular cleaning of hands (washing facilities are in the sanitary facilities on the ground floor and 1st floor in the front building)
- No use of audiostations
- Only enter former cells individually or as a family

**If you currently have severe cold symptoms (e.g. fever),
we ask you to visit the memorial site another time.**

When **entering the ticket desk and checkout area**, please note the following:

- Keep a distance of 1.5 metres between one another
- Please wait until other guests have left the checkout area
- When paying the entrance fee, please put the money on the black tray
- Use of viewing samples at the checkout only with gloves
- Payment on account for guided tours is possible

With entry you commit to observe the rules!

The door handles and railings are regularly disinfected by our employees.
Please follow the instructions of the staff!
